

Sumo Logic Innovation Recognized with Industry Accolades at RSA Conference 2022

June 8, 2022

Cloud Security Monitoring and Cloud SOAR take top Honors in Global InfoSec Awards

SAN FRANCISCO, June 08, 2022 (GLOBE NEWSWIRE) -- **RSA Conference** -- Sumo Logic (NASDAQ: SUMO), the SaaS analytics platform to enable reliable and secure cloud-native applications, has secured two wins from the Cyber Defense Magazine (CDM) Global InfoSec Awards 2022 in Best Solution for Cloud Security Monitoring and Best Product Security Orchestration Automation & Response (SOAR).

In a world of cloud complexity, Sumo Logic Cloud SOAR boosts automation, delivering increased collaboration – providing shorter investigation and response times. Coupled together, Sumo Logic Cloud SIEM with Cloud Security Monitoring and Analytics along with Cloud SOAR give Sumo Logic customers one platform so that teams can respond faster to incidents. Sumo Logic will showcase the functionality of its security intelligence solutions from Booth #5463 at the RSA Conference 2022.

“Modern threats require modern security solutions, and Sumo Logic is purpose-built to address today’s challenging cyber-threat landscape,” said Dave Frampton, VP/GM, Security Business Unit at Sumo Logic. “We are thankful that Cyber Defense Magazine recognizes the critical role of cloud-scale analytics and automation to improve the security practitioner experience and has selected us for top honors in its Global InfoSec Awards 2022.”

“Sumo Logic embodies three major features we judges look for to become winners: understanding tomorrow’s threats, today, providing a cost-effective solution, and innovating in unexpected ways that can help mitigate cyber risk and get one step ahead of the next breach,” said Gary S. Miliefsky, Publisher of Cyber Defense Magazine.

Sumo Logic Security Intelligence Suite

The Sumo Logic Security Intelligence Suite includes Cloud Security Monitoring & Analytics, Audit & Compliance, Cloud SIEM, and Cloud SOAR. Powered by the Sumo Logic Continuous Intelligence Platform, Sumo Logic delivers modern, cloud-native solutions for modern security operations.
